

Solstice Advanced Materials Announces First Shareowner Dividend

February 11, 2026

MORRIS PLAINS, N.J., Feb. 11, 2026 /PRNewswire/ -- [Solstice Advanced Materials](#) (NASDAQ: SOLS), a global leader in high-performance specialty materials, today announced that its Board of Directors has declared a quarterly dividend payment of seven and a half cents (\$0.075) per share of its common stock. The dividend will be payable on March 10, 2026, to shareowners of record on February 24, 2026.

"Today's announcement reflects our strong early performance as an independent company and our commitment to return capital to shareowners," said Solstice President and CEO David Sewell. "We continue to focus on advancing science to support our customers and their end markets with leading high-performance specialty materials and chemicals solutions."

About Solstice Advanced Materials

Solstice Advanced Materials is a leading global specialty materials company that advances science for smarter outcomes. Solstice offers high-performance solutions that enable critical industries and applications, including refrigerants, semiconductor manufacturing, data center cooling, nuclear power, protective fibers, healthcare packaging and more. Solstice is recognized for developing next-generation materials through some of the industry's most renowned brands such as Solstice®, Genetron®, Aclar®, Spectra®, Fluka™ and Hydranal™. Partnering with over 3,000 customers across more than 120 countries and territories and supported by a robust portfolio of over 5,700 patents and pending applications, Solstice's approximately 4,000 employees worldwide drive innovation in materials science.

Forward-Looking Statements

This news release contains forward-looking statements, within the meaning of the Private Securities Litigation Reform Act of 1995. These statements can be identified by the fact that they do not relate strictly to historical or current facts, but rather are based on current expectations, estimates, assumptions and projections. These statements involve risks and uncertainties, and actual results may differ materially from any future results expressed or implied by the forward-looking statements. Risks and uncertainties include, without limitation, ongoing macroeconomic and geopolitical risks, such as changes in or application of trade and tax laws and policies, including the impacts of tariffs and other trade barriers and restrictions, lower GDP growth or recession in the U.S. or globally, supply chain disruptions, capital markets volatility, and inflation, that can affect Solstice's performance in both the near- and long-term. In addition, no assurance can be given that any plan, initiative, projection, goal, commitment, expectation, or prospect set forth in this release can or will be achieved. These forward-looking statements should be considered in light of the information included in this release, Solstice's final information statement, dated October 17, 2025, and other filings with the Securities and Exchange Commission. Any forward-looking plans described herein are not final and may be modified or abandoned at any time. Solstice does not undertake to update or revise any of its forward-looking statements, which speak only as of the date they are made.
